Brand and visual designer with 5+ years building identity systems for mission-driven organizations, lifestyle retail brands, SaaS and direct-to-consumer brands. Led brand and digital communications end-to-end for the United Nations Executive Office of the Secretary-General, growing its channels past 13,000 followers organically. Works across campaign, web, social, print, and event collateral from creative direction through to production-ready files.

PROFESSIONAL EXPERIENCE

Design Lead - Brand and Digital Communications

November 2025 - July 2026

United Nations - Executive Office of the Secretary-General ([UN80 Initiative](#)), New York, USA

Founding designer on the Secretary-General's reform initiative, building the brand system and the production engine that ran on it.

- Built the complete visual identity from zero, establishing brand guidelines, a visual design system, and a library of 45+ templates and components across social, web, newsletter, and presentations.
- Grew LinkedIn from 0 to 13,100+ followers and the newsletter to 6,000+ subscribers organically in eight months, running iterative content testing and acting on performance analysis.
- Led a complete redesign of the website and shipped new pages translating reform progress into accessible digital storytelling.
- Owned end-to-end digital communications strategy, reporting directly to the Director and Deputy Director on all design, strategy, and event deliverables, and collaborating with focal points across the UN system to align communications products.

Design and Strategic Communications Fellow

August 2025 - November 2025

United Nations - Executive Office of the Secretary-General (CRAF'd, UN 2.0), New York, USA

Brand, web, and event design across the Secretary-General's multi-partner crisis data fund and digital transformation portfolio.

- Designed and built 3 web page templates and the digital asset sets for 2 full campaigns, turning complex initiative narratives into visual storytelling across every touchpoint.
- Built an AI assistant trained on the fund's reports, website, and social content to encode tone, terminology, and content structure, and used it to hold every piece produced to a consistent brand voice and editorial standard.
- Developed the fund's visual and communications strategy across web and social, building LinkedIn to 5,000 followers in four months and lifting engagement 65% through daily content across LinkedIn and Bluesky.
- Concepted and produced the exhibition design and environmental graphics for the United Nations General Assembly 2025, including 22-foot pillar banners prepared as large-format print files to vendor specification.

UX/UI Research and Design Intern

June 2024 - August 2024

Immer, New York, USA

Product design for a B2B SaaS venue management platform, reporting to the CEO.

- Redesigned 15+ screens of a responsive B2B SaaS venue management dashboard in Figma, working within an established design system and translating usability research into flows projected to improve booking efficiency by 30 to 40%.

Brand Strategist and Design Executive

June 2022 - July 2023

Go Native LLP, Bangalore, India

Brand, campaign, and production design for a sustainable lifestyle retail store and restaurant.

- Produced 20+ communication pieces monthly spanning posters, flyers, catalogs, newsletters, menu cards, signage, and social media, and developed the pop-up and social strategy behind a 30% rise in online engagement and a 15% rise in customer footfall.
- Designed product collections and packaging for 40+ products and 25+ gift hampers, onboarded 25+ new brands, and formed 3 manufacturer partnerships that improved quality and cut lead times 15%.

Co-Founder

January 2020 - August 2023

Kaaro, Bangalore, India

Built a consumer brand from identity through product, retail, and operations.

- Created and executed the brand identity and strategy, leading to 10 pop-ups, 5 media features, and 10+ brand collaborations.
- Shot and edited all product and lifestyle photography for social media, and managed operations from sourcing through logistics to 1,500+ sales across India, alongside social content.
